RSB Certifier

This RSB certificate was issued under accreditation by a RSB recognized accreditation body for compliance with the RSB standards and the RSB certification systems. The RSB certificate itself does not serve as evidence that a particular product supplied by the certificate holder is certified to the RSB standards. Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when it has the required on-product claim. The RSB certificate is only valid if registered in the RSB database of registered certificates, and that the validity of this RSB certificate shall be verified in the RSB database of registered certificates. More information see [www.rsb.org](http://www.rsb.org).
